MIDDLE SCHOOL: TOUR DE CAMPUSES

LNE SC STAFF EDITORIAL

The LNE SC Middle School students have been busy touring campuses in Texas. This is part of an initiative to get students excited about college and learn what steps they must go through to attend college. Students should start thinking about whether or not they want to be in dual credit classes in high school. Dual credit classes allow students that pass to attain college credit. Akins High School, Reagan High School, Lanier High School, and Eastside Memorial High School all offer dual credit classes as part of early college access. These classes help students cut down the cost of going to college by taking classes that the school district pays for. Your student can complete up to 12 classes of college credit if they choose!

DATES COMING UP

Thursday, March 14, 2019
FOCUS ON YOUR FUTURE at
AKINS H.S.
for Paredes & Mendez M.S.

Thursday, March 14, 2019
UNT University Trip
for Lanier & Reagan H.S.

Wednesday, May 15, 2019

BELOW: Mendez Middle School students explore Fire Department tools and learn about their different functions.

SECURITY DAY: CAREERS THAT SERVE & PROTECT

LNESC STAFF EDITORIAL

Recently, the LNESC conducted workshops dedicated to teaching students about professions that focus on the security of our local, state, and federal governments. Some of our guests have been from the Austin Police Department, featured below and the Travis County Sheriff's Office. To the left are Mendez students interacting with the local Fire Department. Our hope is that students will learn about the FBI, CIA, and local law enforcement and get excited about their work. Perhaps one day these students will serve and protect in this way!
